REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The portion of applicants' response containing claim 12 seems to have been inadvertently omitted and is part of the pending claims 1-12.

Upon reconsideration the rejection under 35 USC 112 is withdrawn in light of applicants' comments. It would appear that the heterocyclic containing compounds and their use would be readily apparent from any teaching of a generic compound of formula I as one in possession of this generic compound would readily envisage all other substituted derivatives. The prior art neither teaches nor suggests compounds of the type recited in the claims or their use.

Accordingly, claims 1-12 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Raymond Covington whose telephone number is (703) 308-4704. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, A. Rotman can be reached on (703) 308-0204. The fax phone number for the organization where this application or proceeding is assigned is (703) 308-7922.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-1235.
